

## **We are pleased to introduce our company's offer, which is constantly expanding in response to the market demand.**

The offer is addressed to large, medium and small companies, as well as to individual customers.

We specialize in transporting **whole load** and **general cargo**.

All of our vehicles are equipped with **GSM communication system** and they are monitored by **GPS positioning software**.

Our drivers are highly experienced, and they possess all required documents and **certificates (carrier's liability insurance, forwarding license and all relevant permits.)**

We provide services in domestic and international transport in:

**Germany, Austria, Czech Republic, Slovakia, Hungary, France, Italy, Spain, Portugal, Belgium, The Netherlands, Scandinavia and the United Kingdom.**

We offer cars of various sizes and loading capacities with one-time loading option up to 33 euro-pallets.

### **Time is money!**

We know that time is money, so we provide express deliveries up to 1,5 t and 20 m<sup>3</sup> capacity.

- **0 - 1500 kg** – delivery trucks with a load capacity up to 1,5 t (1 to 10 pallets – tilt, container, cars with an unloading equipment).
- **1501 - 3500 kg** – delivery trucks with a load capacity up to 3,5 t.

We cooperate with other transporters to provide our customers a broader range of service:

- **3501 - 16.000 kg** – trucks with a load capacity up to 16 t (up to 23 pallets - containers, isotherm, cold store, tarpaulin)
- **16.001 - 24.000 kg** – semi-trailer tractor with a load capacity up to 24 t (up to 33 pallets – curtain, tilt, cold storage)

We ensure the most beneficial logistic solutions at competitive prices.

Please do not hesitate to contact us to get detailed and up-dated information about our services.

**Our customers trust us – it obliges!**

**We are not afraid of challenges and demanding customers.**

**We are looking forward to successful co-operation with you.**
